Career Opportunity within Elberton Utilities

Journeyman Lineman

Posting Date: November 10, 2026
Posting Deadline: Open until filled

The City of Elberton is currently seeking qualified applicants. We offer a competitive compensation package including several fringe benefits such as paid vacation and sick leave, paid holidays, group medical and dental insurance, employer provided life insurance, employer provided long-term disability insurance, and two retirement plans — a defined benefit pension plan at no cost to the employee, and a defined contribution plan that matches employee voluntary contributions up to 6% of salary.

Job Summary: This position is responsible for installing, maintaining and repairing all distribution electrical systems and associated equipment, both overhead and underground. The department uses various specialized equipment including line trucks, aerial bucket trucks, and wire pulling equipment. Applicant must possess a journeyman lineman certification with a minimum of three years' experience in construction and maintenance of an electric power distribution system. This is a full-time position, and pay is dependent upon experience and qualifications.

Required Qualifications: A High School Diploma or GED equivalent, Journeyman Lineman Certificate, a valid Commercial Driver's License; and a minimum of three years' experience.
